PANCHSHEEL KNITWEARS

A GARMENT MANUFACTURING HOUSE

Panchsheel Knitwears is a globally driven apparel manufacturer with a legacy of excellence since 1978. Known for **precision production**, **consistent quality**, and **reliable on-time delivery**, we partner with brands to create world-class garments.

With vertically integrated operations, advanced manufacturing, and scalable production, we deliver efficiency without compromising on quality. Built on transparency, professionalism, and long-term partnerships, every product reflects our commitment to **global standards** and **market-ready excellence**.

From a strong domestic foundation to a growing global presence, **Panchsheel Knitwears** has established itself as a trusted manufacturing partner, delivering knitted apparel that meets international standards.

With state-of-the-art facilities across two units and a scalable capacity of 20,000 pieces per month, we combine quality, versatility, and efficiency to meet evolving market demands.

Backed by a growing turnover of ₹15 crore, our journey reflects both strength and ambition.

Our brands — **KIDAX** for kids-wear and **URBAN GRAND** for modern clothing further define our market presence.

Driven by responsibility, we uphold sustainable, ethical, and high-quality manufacturing practices, ensuring excellence in every product we deliver.

OUR VISION

To redefine global apparel manufacturing through fineness, innovation, and uncompromising quality—becoming the preferred partner for leading brands worldwide.

OUR CORE VALUES

EXCELLENCE

Uncompromising quality with flawlessness and global standards.

RELIABILITY

Consistent performance with on-time delivery

INTEGRITY

Transparent, ethical, and accountable partnerships

CUSTOMER FOCUS

Tailored solutions with flexibility and responsiveness

BRAND ASSOCIATION

We partner with brands that value quality, consistency, and growth.

We go beyond manufacturing — we become an extension of your brand, delivering products that align with your vision, market positioning and customer expectations.
